

The Archbishop's school prides itself on the sense of community which is shown around the school and through the pastoral system. Collective worship strengthens and supports the distinctive Christian Character of our school, reaffirms our Christian values and celebrates the contribution that all make to our community. Worship reflects the variety of traditions found in the Church of England as well as other Christian traditions, and recognizes and follows the Church's liturgical year. Worship allows a time at the beginning of the day for the whole school to come together, for an act of worship, to build relationship as a school, as a house, as a form and with God.

We have a range of speakers who come in to lead full school worship. They really have become a part of the school family.
